

JAMSHEDPUR CO-OPERATIVE COLLEGE, JAMSHEDPUR

Program outcome of B.Sc. Chemistry (Hons.)

Under Graduate program in Chemistry imparts knowledge in basic principles of Chemistry through conduct of theoretical and practical classes. It develops ability of critical thinking and problem solving skills among the students. It opens door for opportunities in various areas seeking knowledge of Chemistry namely,

- * They have an ability to conduct experiments as Research Assistant in R & D Institutes or Laboratories
- * Analyst in laboratories
- * Chemist
- * In Health related areas
- * As Forensic Scientists

In addition to imparting knowledge in Chemistry the UG program prepares students for taking up any job of responsibility considered suitable for science graduates. It creates awareness and sense of responsibilities towards environment.
