

Yearly Status Report - 2017-2018

Part A				
Data of the Institution				
1. Name of the Institution	JAMSHEDPUR CO-OPERATIVE COLLEGE			
Name of the head of the Institution	Dr. Manoj Ranjan Sinha			
Designation	Principal(in-charge)			
Does the Institution function from own campus	Yes			
Phone no/Alternate Phone no.	06572228176			
Mobile no.	7488335266			
Registered Email	cooperativecollegejsr@gmail.com			
Alternate Email	brajlaxmi218@gmail.com			
Address	Jamshedpur Cooperative College			
City/Town	Jamshedpur			
State/UT	Jharkhand			
Pincode	831001

CRITERION I – CURRICULAR ASPECTS					
1.1 – Curriculum Planning and Implementation					
1.1.1 – Institution has the mechanism for well planned words	curriculum delivery a	nd documentation. Ex	plain in 500		
The Institution follows the curriculum and Academic calendar designed by Kolhan University, Chaibasa. The Master Routine is designed by the Routine Committee of the college under the chairmanship of the Principal. The master routine is followed by various departments of the college. The departments also design their Departmental routine specially for Post-Graduate sections. Each department has Permanent as well as Guest faculties for timely and proper running of classes. Teachers train the students to use different learning resources, give assignments, provide internal assessment for effective teaching learning module. Different departments frequently arrange Symposia, Invited talks , Departmental Seminars etc. for better exposure and academic benefit of the students as well as faculties. Various departments also organize study tours and excursions for exposure of students to the off-campus environment. The College has Grievance Redressal Committee for collection and quick response to any grievance related with the students. Different departments also arrange extra classes and doubt-solving classes for the students with special focus on the slow learners. The Teachers also mentor the students inside and outside the classroom. Various topics are delivered with the help of IT-based teaching aids like projector, presentations, Videos and animations.					
1.1.2 – Certificate/ Diploma Courses introduced during	the academic year				
Certificate Diploma Courses Dates of	Duration	Focus on employ	Skill

.4 – Feedback System				
1.4.1 – Whether structured feedback	eceived from all the stakeholders.			
Students		Yes		
Teachers		Yes		
Employers		No		
Alumni		No		

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback from the different stake holders are being taken at regular intervals through meetings conducted Department wise and the feedback from the students, teachers, parents and the non-teaching staff of the college in a customized format and then it it is evaluated and then we work on the part in which there is weakness to improve it and make it better.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Under Choice Based Credit System (CBCS) Continuous Internal Evaluation is being done according to curriculum of Kolhan University, Chaibasa. We conduct Internal Examination in every semester during the academic session in the form of assignments, class seminar, presentations etc. as the internal evaluation also depends upon the students attendance, students are motivated by the Teachers for their increased turnout. Parent-teacher interface meeting is organised to know more about the students on the basis of their parents feedback. Efforts are made to improve the quality of teaching-learning process by the use of modern teaching tools and techniques such as PPT presentations, arranging department inter disciplinary Seminars, Overhead Projectors etc. Slow learners are identified by the teachers on the basis of their performance and special care is tried to be given to such students by the teachers by suggesting special learning and writing skills. Efforts are made to enhance the skill of students in writing project works, how to select a particular project work, how to collect data for the project work as well as how the collected data can be interpreted objectively to reach to the conclusion. All these efforts improve the quality of the students as well as enhance the teaching learning process which culminate into improved internal evaluation of the students.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

As the College is a Constituent Unit of Kolhan University, Chaibasa, the academic calendar for the session is prepared by Kolhan University and the same academic calendar is being followed by the College. The examination dates are scheduled by the University and the examination is conducted on the dates as per the schedule declared by the University. Every efforts are made right from the entry to the exit i.e. the students cycle to adhered to the academic calendar of the University. The State Government is also trying to maintain a common academic calendar for the State Universities so that the admission, Inter College and Inter University transfer of the students for the purpose of admission as well as transfer of academic bank of credit could be convenient. The applications are invited centrally through Chancellor Portal for taking admission for all the Universities of State with a view to adhere to the academic calendar. The registration is announced by the University and for that too within a stipulated period of time. In order to maintain the academic calendar the Colleges and University work in tandem as regards admission, registration, announcement regarding filling of examination forms, date of examinations as well as probable date of announcement of the results of the students. Gradually, the State Govt. and all Universities and Colleges are improving their work culture collectively to strictly maintain the academic calendar.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

https://cooperativecollegejsr.ac.in/pdf/COURSES%200FFERED%202022.pdf

the most important stake holders, the student representatives are included in

the committees meant for deciding the roadmap of development of the institution. The voice of the students in the matters of academic and administrative governance of the College is represented by their representatives present in the committees which decides policies to implement it. Likewise, student representatives are also inducted in the committees constituted for maintaining discipline in the campus controlling over ragging activities in the campus and hostels as well as other developmental activities of the College.

5.4 – Alumni Engagement

5.4.1 - Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

5.4.3 - Alumni contribution during the year (in Rupees) :

5.4.4 - Meetings/activities organized by Alumni Association :

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

0

0

0

The College feels that decentralization and participative management in the various field of activities is the key to effective and impressive management. Efforts are always made to give a social and democratic face to activities of the College. The development of the College is the collective responsibility of all the stakeholders- the students, teaching, non-teaching, parents and social sectors associated with the institution. In order to decentralize and encourage participatory management practices, various committees have been constituted and assigned with specific responsibilities. Various committees have been constituted in the field of - admission, building, sports, anti-ragging, placement, campus development, gender equity, SC / ST cell, OBC cell, Discipline, Board of Governors, project monitoring units, IQAC, RUSA, Finance etc. Purchase and Sales / Finance Committee of the College consists of teaching and non-teaching staff which prepares plans, approves it and allocates funds for a particular item. Thus, by way of constituting this committee the entire developmental plan and the financial investment has been decentralized and not centralized in particular hands of management. The teacher and non-teaching staff feel their responsibility and feel associated in all the developmental and participatory activities of the College. The members of the committee can express their views, decide and mould any development programme and have their say in the allocation of fund for that after proper discussion. Strict adherence to the academic calendar right from entry to exit i.e. student cycle is one of the important aspects of educational institutions. Various activities related to the admission, registration, exam form filling issuance of admit cards, conduct of examination and distribution of results after obtaining it from the University are very important. The students want the timely execution of these activities. This is equality important for the establishment of credentials of the educational institution. Various committees have been constituted assigning specific responsibilities in order to decentralize and

effective participatory management. The website In-charge handles all the information to be given to the various stake holders by its timely dissemination through the social medium of website. Various activities of the student cycle is managed and governed by different committees in order to make all the works related to the students hassle free. The students enter an educational institution hoping and expecting that all the activities related to them right from admission to the publication of results will take in time. The College has decentralized the responsibilities and make all the stakeholders feel that they are the part and parcel of College management.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	The admission of the students in different programs is done through online mode. Applications are invited from students who wants to take admission indifferent programs after receiving the application, a merit list is prepared following the reservation policy and then admission starts
Library, ICT and Physical Infrastructure / Instrumentation	Library facility is available for all students and faculty members of the college. In the library there is a large collection Text Books, Reference Books an Journals through which they can avail the library facility of the college. The total number of text books, reference books and journals in the library is 61952. There is proper approach road to different buildings in college campus. the classrooms are well equipped with fan and lights. The college has 4 well equipped Science laboratories an still trying to develop more facilities for the students.
Curriculum Development	The development and frequent changes in the Curriculum is being done by the Board of Studies at the University and those changes are implemented in the curriculum.
Teaching and Learning	In the teaching and learning process various methods are being adopted such as classroom teaching, access to e- contents available in online mode, field and industrial visits as per the requirement of the programme.
Examination and Evaluation	The examinations are scheduled by the University and after the fair conduct of examination, evaluation work begins and the evaluators of the answer books are appointed by the University

	according to the subject in fair manner and then the result is declared after the completion of evaluation work in a stipulated time period.
Industry Interaction / Collaboration	The students of different programs go for excursions and industrial tour as per the requirement of the completion of the program in which he/she has taken admission

6.2.2 - Implementation of e-governance in areas of operations:

E-governace area	Details
Student Admission and Support	The admission of the students in different programs is done through online mode. Applications are invited from students who wants to take admission indifferent programs after receiving the application, a merit list is prepared following the reservation policy and then admission starts
Examination	The students can fill up their examination forms through online mode during the time period declared by the University
Finance and Accounts	The finance and accounts section of the college also maintains all its records in digital form

6.3 – Faculty Empowerment Strategies

6.3.1 - Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support
Nill	Nill	Nill	Nill	0

No file uploaded.

6.3.2 - Number of professional development / administrative training programmes organized by the College for teaching and non teaching staff during the year

6.5.2 - Activities and support from the Parent - Teacher Association (at least three) The college conducts regular meetings with the parents, as well as other educationists of the town and communicates them at the correct forum. The college invites suggestions from its Alumni members, ex-students and other stakeholders who provide with valuable suggestion time to time. The college receives their opinion and suggestions, if any, and tries to implement it for better outcome in the future. The college provides its information through the college website, newspapers, college magazines and its prospectus.											
6.5.3 – Development programmes for support staff (at least three)											
The college ensures that meaningful advice of the IQAC is fully adhered to. To achieve this, orientation session is organized from time to time for the staff to improve their working system. Meetings with the staff and teachers by the Principal and IQAC helps in the effective implementation of the recommendations of IQAC. As part of the faculty development programmes, teachers are given encouragement to take up higher levels of research like Ph.D. and projects.											
6.5.4 – Post Accreditation initiative(s) (mention at least three)											
<pre>modern technologies of teaching and learning. 3. To incorporate more vocational oriented courses and to strengthen the placement opportunities for students. 4.To renovate the old building and add a few new wings to improve infrastructure. 5. To organize national and international seminars/conferences. 6. To make admission process online and thus make more transparent. 7. To transform the woody campus into a beautiful educational institute. 6.5.5 - Internal Quality Assurance System Details</pre>

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

 Institution feels that quality is the defining element of education and therefore, trying to improve the quality by improving infrastructure, developing affordable cost effective education and by restoring faith of all stakeholders by also trying to minimise the gap between existing various practices and the best in the contemporary world of education. 2. Regular upgradation of website is done for making it informative, attractive and scientific for the speedy and timely dissemination of all kinds of information to students, teachers and non-teaching staff for day to day activities and strict adherence to academic calendar.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://cooperativecollegejsr.ac.in/IQAC.aspx

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The vision of the institute focus on the following aspects viz Global Standards, value based education, Interdisciplinary research and sustainable development. The institution has established its distinctive approach towards the comprehensive vision which is so unique and proprietary to the institution that's a part of institute's intellectual property in the form of a Trademark. The institution has four faces, viz. a. Excellence in academics b. Exploration of knowledge through research c. Excitement of innovation entrepreneurship. d. Exponent for development of a rounded personality with global vision and social responsibility. Excellence in academics A high quality of academic excellence can provide value added experience for the students. The positive outcomes are achieved by designing the curriculum to meet the global requirement and through teaching-learning methods blended with ethical values it outlines the commitment to academic performance expected of all students. The structured induction of the student into the curriculum enables to visualize the career opportunities and the approach towards achieving them. Exploration of knowledge through research The institutes determination to be transformed into a centre for major research is therefore a commitment to offer high quality teaching through: • Synergies between research education activities • Research based learning teaching The course based projects, social impact projects, certificate courses provides the knowledge and enables the students to carry out inter disciplinary research with advanced level research laboratories to facilitate the academic and sponsored projects. Excitement of innovation entrepreneurship. The institute provides a platform to business startups to develop their ideas into commercially viable products. The NSS and cultural cell crucially works on generating the excitement in the young brains to produce innovation and thus laying the stones for entrepreneurship. Exponent for development of a rounded personality with global vision and social responsibility Participation of students in co-curricular activities (CCA) and extracurricular activates (ECA) helps to enhance all rounded personality to strongly face the turbulent road of the future. Experiences and appreciations gained through these activates assist students. Career guidance, personal consoling are well structured through career counseling cell. Since the vision of the institute focuses on comprehensive and sustained growth of the students

and that of the institute along with its student community, the institution serves as a unique tenet which leads to appreciable all round performance by assuring global standards through value adding education and interdisciplinary research paving ways to sustainable development.

8. Future Plans of Actions for Next Academic Year

with the institution going for accreditation in the current year, it plans to continue its development agenda in terms of academic, co-curricular and infrastructural facilities. for the purpose, it envisages to focus on the following: 1. Further development of RFID for all students and modernise library facilties. 2. To introduce new courses in the college. 3. to further develop and modernise the laboratories. 4. to introduce new infrastructure to augment the old buildings. 5. To enlist in NIRF.
